COVID-19 safety guidelines for

Festivals & Fairs

Enjoy Your Summer Safely

Attending large events like fairs increases your risk of catching and spreading COVID-19. If you attend these events, follow the guidelines below to protect yourself and the people around you.

Wear a Mask

Cover your nose and mouth with a cloth face mask. Masks should not be placed on children two years of age or younger.

Practice Physical Distancing

Avoid crowded areas at the event. Consider visiting fairs at less busy times to make it easier to practice physical distancing.

Keep Your Hands Clean

Wash your hands often – especially before eating and drinking.

Pack Your Summer Safety Kit

Before you go out, pack your summer safety kit with hand sanitizer, disinfecting wipes, tissues and a clean face mask. Don't forget to pack your usual summer safety items like bug spray, sunscreen and plenty of water.

Know Before You Go

Check the event's website for details on safety precautions, crowd size limits, cancellations and any other helpful information.

For more information on COVID-19 in Missouri and what you can do to stop the spread, visit oneforallmo.com or contact your local public health experts.
